In the Name of Allah (God) Most Gracious, Most Merciful

Tuition Policy: By registering your child for the Academic school year, you are agreeing to pay the tuition for the entire academic year. Tuition may be refunded, or future obligations for tuition installment payments may be abated due to extenuating circumstances. This process can occur only upon application to and approval by the Board of Trustees of the Academy. Without Board approval, you will be obligated for the tuition for the entire academic year whether or not your child completes the school year. This obligation is necessary for efficient operation of the Academy as the Board budgets the operations of the Academy and contracts with personnel based upon the number of students registered and the tuition commitment from all registered students. Abuse of system and failure to maintain timely payments can result in dismissal of the student from the Academy.

Tuition Management: The Academy has elected to use the FACTS tuition management system in order to improve the security and convenience of payment processing for our families. FACTS provides flexible payment plan options for our families making it simple and convenient to budget tuition payments. The enrollment fee for selecting a multiple payment installment plan is \$50.

To set up your tuition payment plan, go to <https://online.factsmgt.com> Once your information is received and processed, you will receive a confirmation notice. This notice will confirm your payment plan information. Please check this information for accuracy.
